

LOOKING FOR ACTION?

GO COMMANDO

For the Isle of Wight's latest in **OUTDOOR LASER COMBAT GAMES** which goes above and beyond other battlefield simulations.

No Projectiles = No Goggles, No Pain, No Bruises, No Mess, No Worries!

Get the WOW Factor, fun, excitement, realism and adrenalin flow using the UK's **FIRST CORDLESS HI-TECH ELECTRONIC RIFLES** that fire **TOTALLY EYE-SAFE class I LASER BULLETS** with a range of approx 45m with accuracy to strike your opponent's helmet sensors, thus setting off an alarm and disarming their weapon system - **NO SITTING OUT WHEN SHOT**, just reset, reload and back into action.
